Billings, Montana Section

SCHOLARSHIP ANNOUNCEMENTS

BILLINGS SECTION SCHOLARSHIP

The Billings Section of the Society of Petroleum Engineers (SPE), Inc. is pleased to announce the availability of scholarships to qualified high school seniors intending to enroll in a petroleum related engineering curriculum. All high school seniors that are residents of Montana are eligible to apply. These scholarships are not need based. The recipients will be chosen based upon academic merit, extracurricular activities, recommendations, and written essays. We anticipate awarding four \$1000.00 scholarships in the spring of 2009 which will be paid to the student's account at their school upon verification of enrollment in an accredited engineering curriculum. An application for the Billings Section Scholarship is attached or can be obtained at <http://billings.spe.org/>. Deadline to apply for this scholarship is March 13th, 2009.

GUS ARCHIE SCHOLARSHIP

The Gus Archie Memorial Scholarship is supported by the Archie Fund of the SPE Foundation. Each year the SPE Foundation, working through the SPE Section Scholarship Support Program, awards the Archie Scholarship to the most outstanding incoming freshman enrolled in an accredited petroleum engineering program. All high school seniors, regardless of residency status, intending to enroll in a curriculum leading to an undergraduate degree in petroleum engineering are eligible.

The Archie Fund endows each scholarship at \$6,000 per year. The program contemplates support of an individual student through four years of university study, provided that he or she makes satisfactory academic progress. The program ordinarily requires a GPA of 3.0/4.0 or higher for the current semester and a GPA of 3.0/4.0 or higher on a cumulative basis. Students rotate off the program after 4 years of scholarship support. An application for the Gus Archie Scholarship can be obtained at http://www.spe.org/spe-app/spe/about/foundation/gus_archie.htm. Deadline to apply for this scholarship is April 30th annually.

Please note these two scholarships have separate mailing instructions and different due dates.

It is requested that this application be forwarded to all math and science teachers as well as graduating seniors that have exhibited notable potential in technical areas of study.

Scholarship winners and their parents will be invited to attend as honored guests of the Billings Section a SPE luncheon to be held in Billings in April or May 2009.

We have strived to distribute these scholarship applications to as many Montana students as possible. However, due to limited resources, we are only able to distribute this application via email and our website. Please feel free to forward this application to any other Montana schools (public or private) and individuals that you feel may be interested.

Thank you.

ACT Scores: Composite _____

College You Will be Attending

College Major(s)

1. _____

1. _____

2. _____

ADDITIONAL INFORMATION

1. Sealed Official Transcript.*
2. Copy of your SAT and/or ACT score report. Test information reported on your school transcript is *not* sufficient.
3. One sealed letter of recommendation from a math or science faculty member at your high school.*
4. One sealed letter of recommendation from a member of your community not related to you and that you know through non-school related activities.*
5. How did you hear of this scholarship? _____

*Sealed means that the person preparing the information seals the envelop himself or herself and stamps or signs the envelop enclosure in such a way as to indicate that the envelop was not opened prior to receipt by the scholarship committee.

Any scholarship awarded by the Billings Section of the SPE is contingent upon the recipient's being officially registered at an accredited United States university and enrolled in a curriculum leading to the degree of bachelor of science in a petroleum related engineering curriculum. The amount will be paid upon verification of enrollment at an accredited college or university and will be paid directly to the school. Recipients must be residents of Montana at the time of application. The Billings Section of the SPE reserves the exclusive right to determine the number and amount of scholarships awarded for any given school year. The completion and submittal of a completed application does not obligate the Billings Section of the SPE to award a scholarship to any applicant.

SIGNATURES

I hereby certify that all information submitted on this application is true and accurate to the best of my knowledge. By submitting this application, I authorize my high school principal or counselor to make available to the Billings Section of the SPE information concerning my academic records.

Signature of Applicant

Date

MAILING INSTRUCTIONS

Staple all attachments to the back of the completed application in the order in which they are listed. Sealed envelopes should remain separated. Mail, unfolded, with a cover letter to:

Ms. Joy Stevens, PE
724 S. Durbin St.
Casper, WY 82601

Fax and email applications will not be accepted.

Please address any additional questions and inquiries to Ms. Joy Stevens via email at joystevens1@bresnan.net.

APPLICATION MUST BE RECEIVED NO LATER THAN 5 PM ON MARCH 13, 2009
Applications received after this date will not be considered. Scholarship applicants will be notified by mail by April 24, 2009.
